

ECSNP Queensland presents ...

2021 CALENDAR OF EVENTS July-October

JOIN US..WE'D LOVE TO SEE YOU

The Exceptionally Complex Support Needs Program (ECSNP) Queensland are inviting you to a variety of Free Webinars for NDIS Support Coordinators and other professionals in the sector to assist them in working with participants with exceptionally complex support needs.

The event themes are based on what the sector has told us they need, and what they want to learn more about. These events are safe spaces for the Queensland disability sector to meet, share and seek guidance from their peers, experts and others professionals through constructive conversations to work towards positive outcomes for the people we support.

All our events will be published on our Eventbrite Webpage, so follow our page for registration and event information: <https://www.eventbrite.com.au/o/ecsnp-qld-mercy-community-31753496369>
